

## COVID VACCINE UPDATE

April 15, 2021

Due to the CDC and FDA Call for Pause on Administration of  
Johnson & Johnson Single-Dose Vaccines,

Fish River Rural Health must unfortunately pause single-dose  
vaccine clinics until further notice

If you have a scheduled COVID-19 vaccine appointment with  
Fish River Rural Health for an upcoming clinic, schedulers are  
reaching out to patients to offer alternative vaccines and  
scheduling. If you have questions or concerns, vaccine  
schedulers can be reached at **(207) 834-1218**

Thank you for your ongoing understanding
